

## Works on SideLey Park

Starting on Monday 3rd April, works will commence to install the all-weather leisure paths. This work will be undertaken in zones & will be cordoned off for Health and Safety reasons.

The work is expected to take around 30 days.

If you have any queries, would like to know more about this exciting project, or would like to be involved during May to help with the various planting schemes, please e-mail Vicky Roe, [clerk@kegworthparishcouncil.co.uk](mailto:clerk@kegworthparishcouncil.co.uk) or go to our website.

Thank you for your patience whilst we make these improvements
