

Advanced Notification of Night Time and Weekend Closures

September 2019

Kegworth

Please find attached notification of works which will affect your area in early September 2019.

Due to a material failure of the surfacing on the new bypass and A6 island, remedial works will be undertaken.

The works and timings have been agreed with Leicestershire CC Highways and Highways England.

The works will take place predominantly at night to minimise disruption on the local road traffic networks.

Please email questions to Michael Gilhooly on kegworthbypass@buckinghamgroup.co.uk
